PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 C.F.R. § 1.181(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant herewith petitions the Commissioner of Patents and Trademarks to withdraw the holding of abandonment of the above-identified application under 37 C.F.R. § 1.181(a). Applicant's petition is based on the facts set forth below and the attached supporting documents.

On June 22, 2004, the Patent Office mailed a Notice of Abandonment (copy "to be returned with response" attached as Exhibit 1) deeming the present application abandoned because Applicant

failed to timely respond to a Notice to File Missing Parts mailed on January 8, 2002. Specifically, the Notice of Abandonment states that no reply was received.

Applicant's petition should be granted and the holding of abandonment withdrawn because Applicant did timely respond to the January 8, 2002 Notice to File Missing Parts. The January 8, 2002 Notice to File Missing Parts gave Applicant two months to correct the informalities in the application. On January 31, 2002 — in response to the January 8, 2002 Notice to File Missing Parts — Applicant mailed the following items to the Assistant Commissioner for Patents:

(1) Transmittal Letter; (2) Copy of Notice to File Corrected Application Papers; (3) Certificate of Mailing by First Class Mail; (4) Check in the amount of \$42.00 payable to Director of the U.S. Patent and Trademark Office for balance of filing fee due; (5) 22 sheets of Substitute Drawings with corrected margins; and (6) Postcard. A true copy of the originally filed response is attached as Exhibit 2. The returned date-stamped Postcard shows that the Office of Initial Preliminary Examination received Applicant's response on February 14, 2002. See Exhibit 3.

Based on the evidence, Applicant timely filed a complete response to the January 8, 2002 Notice to File Missing Parts. Applicant relies upon its date-stamped postcard receipt as *prima facie* evidence that the reply was timely filed.

“Similarly, applicants may establish that a reply was filed with a postcard receipt that properly identifies the reply and provides *prima facie* evidence that the reply was timely filed. See MPEP § 503. For example, if the application has been held abandoned for failure to file a reply to a first Office action, and applicant has a postcard receipt showing that an amendment was timely filed in response to the Office action, then the holding of abandonment should be withdrawn upon the filing of a petition to withdraw the holding of abandonment. When the reply is shown to have been timely filed based on a postcard receipt, the reply must be entered into PALM using the date of receipt of the reply as shown on the post card receipt.

MPEP 711.03(c), I.B., ¶ 2 (“Petition To Withdraw Holding of Abandonment Based on Evidence That a Reply Was Timely Mailed or Filed”). Applicant therefore requests that the holding of

abandonment be withdrawn. Applicant further requests that prosecution continue immediately with substantive examination of the application.

Applicant does not believe that a petition fee or extension fee is owed in connection with this petition. If Applicant is incorrect in this belief, however, Applicant requests that any petition fee, extension fee, or any other fee due with this petition be charged to Deposit Account No. 50-2468.

Acceptance of Applicant's petition for withdrawal of the holding of abandonment is respectfully requested. Applicant further requests that the Office promptly acknowledge the active status of this application.

Respectfully submitted,
